TOPIC

Join Rick Sammon for this fun-filled, info-packed presentation: *iPhone Photography From A to Z*! In this lively session, Rick will showcase some of his favorite iPhone photographs—captured by him and his wife Susan—during their month-long adventure through Thailand and Vietnam in January 2025. Rick will kick things off with **A** – *apps* to help awaken your inner artist; move on to **C** – *connecting* with people using the iPhone’s unique advantages; dive into **M** – *manual controls* for added creativity; explore **V** – *video techniques* for shooting pro-quality clips; and wrap up with **Z** – *zooming* made simple with just a pinch of your fingers. Stick around after the presentation—Rick will be happy to answer all your questions. Don’t miss this inspiring and entertaining online event!
