## Presents Arik Gorban

[www.agphotoworks.com](http://www.agphotoworks.com)

### Creative Fun and Legal Drone Photography Friday June 5, 2026 7:30 (eastern time)

#### Topic

In this presentation, Arik explains what it takes to embark on and enjoy drone flying and aerial photography. The presentation covers important drone selection, operation, photography, and regulatory compliance topics. It demystifies the often-confusing training, testing, and certification requirements. The discussions are illustrated with images that Arik captured with his drones.

#### Bio

Arik is a photographer and photography instructor who focuses on the creative aspects of the photographic art form.

His experience covers the complete photographic process, including analog photography, darkroom work, and extensive digital imaging.

He frequently judges photo contests, including multiple international Salon competitions and juried exhibitions. Arik presents photography programs internationally and exhibits his fine art photography. He also photographs events and conducts photography workshops.

Arik's work and articles have been published in the US and internationally. He is an FAA-certified Part 107 Drone Pilot.
